

PRESS RELEASE

THE LOUISE AND ALAN EDWARDS FOUNDATION

Ronald Melzack Fellowship in Chronic Pain Research 2017

May 24, 2017

The Louise and Alan Edwards Foundation is pleased to announce Dr. Boram Ham as the recipient of the *Ronald Melzack Fellowship in Chronic Pain Research 2017*.

Dr. Ham's proposed project is titled, '*CD8+ T-cells and chronic pain in females*'. Dr. Ham will be conducting his research under the supervision of Dr. Jeffrey Mogil at the *Alan Edwards Centre for Research on Pain* at Montreal's McGill University. The central hypothesis is that T-cells induce allodynia in female mice medicated by IFN γ .

We are proud to support this exciting research project and continue to support the work of Dr. Marine Karine Christin, supervised by Dr. Reza Sharif Naeini, both being conducted at *The Alan Edwards Centre for Research on Pain* at McGill University, Montreal, Quebec, Canada
