

PRESS RELEASE

THE LOUISE AND ALAN EDWARDS FOUNDATION

Catherine Bushnell Fellowship in Chronic Pain Research 2015

May 25, 2015

The Louise and Alan Edwards Foundation is pleased to announce Dr. Mu Yang as the recipient of the Catherine Bushnell Fellowship in Chronic Pain Research 2015.

Dr. Yang's proposed project is titled '*Chronic pain in autoimmune peripheral neuropathies*'. Dr. Yang will be conducting his research under the supervision of Dr. Ji Zhang at the *Alan Edwards Centre for Research on Pain* at Montreal's McGill University. The aim of this proposed research project is to 'decipher underlying mechanisms of chronic pain in immune-mediated peripheral neuropathies by targeting both immune and neuronal components. A translational study to identify common pathological features between our animal model and GBS/CIDP patients will also be performed'.

We are proud to support this exciting research project being conducted at *The Alan Edwards Centre for Research on Pain* at McGill University, Montreal, Quebec, Canada
