

## Open Call for Applications

### ***The Alan Edwards Fellowship in Clinical Pain Research***

*The Louise and Alan Edwards Foundation* of Montreal requests applications for the *Alan Edwards Fellowship in Clinical Pain Research*. The objective of this fellowship is to support a position encompassing both clinical pain research and clinical activities conducted at the *Alan Edwards Pain Management Unit* of the *McGill University Health Centre*. This Fellowship is intended for health care professionals with an MD or PhD title, who wish to pursue original clinical research in the field of Pain Medicine within the multi-disciplinary team at the Pain Management Unit. Previous research experience is preferable but not mandatory. The Fellowship has a stipend\* commensurate with experience.

Funding is for one or two years with the second year contingent upon mutual satisfaction. Should ethics approval be required, *The Foundation* requires that an application be submitted within 3 months of the start date. Acknowledgement of *The Louise and Alan Edwards Foundation* must be given in any and all publications or posters related to this Fellowship. A synopsis of the research project is to be submitted to *The Foundation* at each year's end.

Applications should be submitted by e-mail to Dr. Yoram Shir, Director of the *Alan Edwards Pain Management Unit* at yoram.shir@muhc.mcgill.ca. Applications must be submitted as a single English .pdf document and contain the following: *a)* up to four-pages CV, *b)* three letters of reference, *c)* a statement of research goals, *d)* previous work cited, if applicable.

**Application Deadline: August 15<sup>th</sup>, 2018**

**Start Date: July 1, 2019**

**Applications that exceed the page limitations will not be considered.**

**\* As of January 2010, all Postdoctoral Fellowship stipends are TAXABLE according to the Canada Revenue Agency.**
